

Take Back Tomorrow™

Satisfaction Promise & Refund Policy

I want you to feel confident about joining Take Back Tomorrow™.

If you have questions about the program or aren't sure whether it's the right fit for you, I encourage you to reach out **before enrolling**. I'm happy to answer your questions so you can make the decision that's best for you.

Founding Member Satisfaction Promise

If, after enrolling, you decide **before our first live coaching session begins** that Take Back Tomorrow™ isn't the right fit for you, simply email me and I'll gladly provide a full refund.

I want every person who joins this program to feel excited, confident, and ready to begin.

Refund Policy

Once the first live coaching session has begun, **all sales are final**.

Enrollment includes immediate access to digital materials, downloadable resources, community access, and other program content. Because these benefits are made available immediately, refunds cannot be provided after the program has officially started.

Technical Issues

If you experience any technical difficulties accessing your program materials, please contact us as soon as possible. We'll work quickly to resolve the issue so you can fully participate in the program.

Program Changes

If Take Back Tomorrow™ is canceled by Coach Ness before the program begins, you will receive a full refund.

If the program start date changes, you'll have the option to transfer your enrollment to the new start date or request a full refund before the new cohort begins.

Thank You

Thank you for trusting me to be part of your journey. I'm honored to walk alongside you as you build the confidence to take back control of your health.
